Progress on current committee assignment:

Most of our work comes just prior to and just following the August Board meeting where rule changes are voted upon. Two conference calls were held, one on July 4 and one on July 11. During these conference calls, all rule change proposals were reviewed and discussed.

Progress/Action on past committee assignments:

Completed review of all 2007 rule change proposals.

Future projects/programs under consideration:

Currently working on proofing the first draft of the 2007 Handbook. Following the general membership meeting, the approved by-laws will be included and a 2nd draft will be proofed.
