Issue being voted upon (please provide specific details):

To approve the following Eligibility Clarification Statement:

Attention NRHA Members:

It has come to our attention that there is a conflict in eligibility for Category 2 and 6 events. With the 2009 eligibility rules, it is currently possible for a rider to not be eligible for the Level 2 (Limited) class but to be eligible for the Level 1 class. Due to this conflict, the Executive Committee has invoked the “best interest” rule as outlined on page 32, B. Section 4 of the 2009 NRHA Handbook to clarify the current eligibility rules. The Executive Committee has approved the following change to clarify the current Category 2 and 6 eligibility:

“If a rider is eligible for Level 1, then they are also eligible for Level 2 in their respective Open or Non Pro divisions”.

The eligibility lists posted on the NRHA website have been updated to reflect this change. In accordance with the Handbook, there has been a task force formed to research the issue and make the necessary rule change proposals to remedy the situation for 2010.

We apologize for the confusion and appreciate your understanding. If you have any questions or concerns, please contact the NRHA Office.
