- Dr. Crowe has asked if we can get the x-rays downloaded onto the computer hard drive we use to view them. Also there will be in the catalog and in the sale office a notice explaining that NRHA is not charged when you view the x-rays but you are responsible for paying the vet of your choice their fees at the time of viewing

- There will be a notice written up telling consignors to make sure they follow up to make sure the buyers agreements are executed.
- There was discussion about an informational sale video for first-time buyers.
