Email Renewal Reminders

Michelle Wrigley updated the Executive Committee on the renewal reminders. There will be an email reminder sent out on November 1 and there was a reminder blow in and renewal form in the November *Reiner*. The IT Department is planning on min-November for online renewals to go live. Currently, address updates are live on the website and everything is going well. Later in the year, members will receive audio postcard reminders and a regular mail reminder to those who did not receive the email reminders.

Ancillary Class Clarification

Michelle Wrigley outlined the proposed ancillary class clarification regarding added money: *In Category 1 classes, added money must be offered in amounts equal to or greater than the class one level below in the same division (Open, Non Pro). Open Levels in descending order are: Open, Intermediate Open, Limited Open, Rookie Professional. Non Pro Levels in descending order are: Non Pro, Intermediate Non Pro, Limited Non Pro, Prime Time Non Pro.* The Executive Committee will get a clarification together and then take it to the Board at the November Meeting. Jennifer Hoyt recommended that it be included in the show secretary training to avoid any confusion.
