Progress Toward Charters:

- Develop and improve Varsity Reining Club.
 - We introduced a new website in 2013 in addition to updating awards in order to keep enthusiasm up about participating
- Market and conduct NRHA Regional Clinics.
 - We held the same number of clinics in 2013 as we did in 2012, however we earned over \$3,000 more due to greater efficiency in travel and cost. This allowed us to pay more incentives to affiliates.
- Foster alliance relationships with other equestrian associations
 - This was talked about later in the meeting since it was also an item on the agenda.
- Identify and enhance showcase opportunities within Ride A Reiner Program.
 - At the time this was written a title sponsor was close to being obtained, however it was not. In order to fulfill this obligation to our alliances we have provided other amenities such as demonstrations, educational materials, and events such as ask a judge.
