  - **NRHA Executive Committee Action Requested**
- The committee discussed the current Affiliate Regional Championship Bid Process. A list of items that need to be included in the RFP was compiled by the committee. Megan will prepare a new bid document for the committee to review.
- The committee discussed what information needs to be compiled in order to discuss the redrawing of regional boundaries. Information to be compiled by Megan includes:
  - # of Affiliates in each region
  - Members in each region
  - Members in each state (and by zip code if possible)
  - Affiliates that compete in ARCs (RAFs) and NAAC
- The 2016 Rule Change proposals were given to the committee to discuss at a later date and time. The committee decided not to adopt the rule change proposal submitted by Jesse Chase and recommended that either the Aged Events Committee or Eligibility Committee take it on.
