NRHA Derby Recap

Shianne Megel presented the final statistics and feedback on the 2015 NRHA Derby.

IEA

Our alliance with IEA was briefly discussed and whether or not we want them as partners in 2017. If so, we need to decide the format. Overall, it was discussed that there was lots of potential to grow with IEA.

Programs Task Force

Jennifer Hoyt discussed the Programs Task Force and the work they have done so far. They are currently making lists of programs that are not growing or supporting NRHA and will make official recommendations at a later time.

Derby Task Force

The Derby Task Force held a face-to-face meeting during the Derby and got a lot of work done. They are currently seeking proposals from other facilities and have challenged the group to find improvements to the event. One of the ideas was to move the Derby to a different month due to the weather.

A motion and a second were made to adjourn the meeting. The meeting adjourned at 1:16 p.m. CST.
