Additional Verbiage to European Championship Conditions

Verbiage was created that would be recommended by the European Major Events Committee for the European Championship Conditions. This verbiage that was recommended allowed horses in Europe who were owned by an owner who does not presently live in Europe to still compete and qualify for the European Championships. In addition the Committee recommended that when it came to the Nation Competition that points would count towards the rider's country of origin, even in the Open classes.

2018 European Derby

The Committee recommended that the 2018 European Derby be held on the date slot of July 23rd through the 29th of 2018.

The Committee also recommended staying with Payback Schedule C and not reverting back to the original payout structure.

4-Year-Olds in Aged Events

The Committee at this time did not want to make a recommendation on 4-Year-Olds participating in the European Aged Events. They wished for more time.

Meeting adjourned at 12:09pm CST.
