2018 European Futurity and European Championship Dates

The Council discussed the dates for the 2018 European Futurity and European Championship. As they stood they fall on the NRHA Germany Easter show, which is also another Lawson event. The Council discussed the pros and cons of moving it to another date and time.

10:26 am Rudi Kronsteiner joins the call.

Discussion is made on moving the European Championships to the 2018 Derby and moving the European Futurity up or back one or two weeks. A motion is made to keep the dates as they are and the events as they are now, meaning the European Championships would remain with the European Futurity in 2018. This motion is seconded. There is not a quorum with the amount of Council Members on the call. NRHA Staff will reach out to those members who are not present.

Meeting adjourned at 11:30am.

Discussion is then made on the best time frame for the 2018 European Futurity to occur.
