Old Business

The Stall Sponsorship guidelines that the committee made recommendations on during the Convention meeting was approved by the Executive Committee. Guidelines have been sent to current Derby stall sponsors.

Rule change recommendations were reviewed from the Convention meeting. In addition the Prime Time Non-Pro Rule Change was discussed. The committee will review the potential entry changes and will make a recommendation to amend the rule change from Non-Pro to Open.

2018 Futurity Schedule

The 2018 Futurity schedule was discussed. Potential changes included moving the Novice Horse classes to later in the week and moving up the youth classes. After discussing the importance of giving Futurity horses an alternative competition option it was decided to leave the schedule as it has previously run and add a new class. The new class will be available to Futurity entries in the Open and Non-Pro who do not advance to any level in the Semi-Finals or the Non-Pro consolation. It is recommended to have \$1,000 added money and be available to the first 30 open entries and first 20 non-pro entries. There will be a \$25 entry fee and a \$25 judges fee.

The patterns for the Futurity were also reviewed. It was decided to change the Open first go-round pattern to #10.

The schedule and pattern changes will be reviewed by the NRHA Board of Directors during their May meeting.

Future Meeting

Conditions for the 2019 Futurity and Derby will be reviewed at the next meeting in preparation for the August NRHA Board of Directors Meeting.
