Go To Meeting – 10:00 am

- The entry form and conditions for the Amateur Derby have been corrected on the website
- Follow up on the Amateur division from the last call
  - It was reported that the EC discussed it and it is a trial for 2021 and the class will be studied after the Derby to see if it is needed or not in the future. If it is then there can be further discussion on the definition of an amateur and how to handle earnings.
  - It was reported that most other associations make you choose to either show in the Amateur Derby or the NRHA Derby. You are not allowed to cross enter.
  - The concern is still that this is a substantial amount of money and since it is in Cat 11 it will not count toward eligibility next year. It is an aged event so the money should count toward aged event eligibility.
    - Motion was made and seconded to have the earnings of the Amateur Derby count toward Category 2. Motion passed

The committee has the two motions to present to the board at the May meeting. The motion above and the motion concerning The Invitational Earnings from the last meeting. Angie will prepare those and send them to Karen to review.
