Call to Order

Meeting called to order by Dallas 10:04 A.M. at CST.

Rule change 61-02-22

The committee would like to present for the above rule change to go into effect for 2021 since it involves procedures outside of the arena. Not only will this help ARC hosts to attempt to break even, but it will help elevate ARC classes by likely increasing added money, prizes, and making it less likely for the class to be used for schooling. The hundreds of entries in 2020 created a nightmare for show staff, and decreased the importance of the class. Motion made to bring this to the Board to pass in 2021 made by Carol, seconded by Karen. Motion carried.

ARC Host Approval

Reining Alberta is to host Western Canada ARC for 2021 and 2022, steward exempt in 2021 due to the issues with boarders and quarantine created by COVID. Motion made by Jennifer. Seconded by Lindsay. Motion carried.

With there being zero bids for the 2021 Mountain ARC, there was discussion that we allow this to be a gap year since those members can attend another ARC to qualify for the NAAC. Rocky Mountain RHA plans to place a bid for 2022, if a bid for the 2022 Mountain ARC does not come through, the committee will consider restructuring. Motion passed for the above criteria made by Karen, seconded by Paulus. Motion carried.

New Affiliate Approval

Motion made to approve Columbia River RHA. Motion carried.
