2. Should Category 1 be included in Cat 2 and 6 eligibility
3. Should Limited Non Pro not be based off lifetime or just previous year
4. Should we have a factor up rule – should riders have to go from L1 to L4 in one year if they have a good year
5. Should Category 10 count toward Green 2
6. Should Category 11 count toward Green 1 and 2
7. Review the money caps for the classes in Cat 1 and 5
