NRHA Open Derby 8 & Up Discussion

The committee discusses per the Board of Directors request the 2024 rule change which requires an Open Level 4 with a Non Pro Level 4 and how it pertains to the 8&Up maturity that is currently offered during the Derby.

A motion is made to put the open ancillary and the 8&Up open maturity on Monday, June 19th with slate two of the open (which is currently intermediate open, limited open, and rookie professional), leaving the first slate of the open ancillary on Saturday June 17th to be only intermediate open, limited open, and rookie professional. In addition, the motion is to have the Open 8&Up as a \$5,000 added level 2 and a \$10,000 added level 4. Motion is seconded. None are opposed.

A motion is made to move the limited non pro slate 2 from Monday June 19th to Saturday June 17th. Motion is seconded. All are in favor.

The arena opening for riding during the 2024 NRHA North American Futurity is discussed.
