**Meeting called to order 11:08am CST.**

**Approval of Previous Meeting Minutes**

Motion made to approve the previous meeting minutes. Motion is seconded. All are in favor.

**2025 NRHA Futurity Conditions**

A motion is made to approve the 2025 NRHA Futurity conditions with the addition of the Masters Non Pro division as a pilot to include a cap of added money to match that of the Prime Time division, with the stipulation that there is a class sponsor to support the added money and awards package. This pilot would be considered successful if there are more than 25 entries in the class. Additionally, a policy will be created outlining the specific environment where new classes and divisions may be added to either of the NRHA owned events.

*Cheryl Cody arrives.*

Motion seconded, all are in favor.

**2024 NRHA Futurity Schedule**

A motion is made to edit the 2024 NRHA Futurity Schedule to, if entry numbers allow, combine the three sections of the NRHA Non Pro Futurity first go into two sections, allowing the NRHA Open Futurity Semi-Finals Level 1 - Level 3 to combine into one section to run on Monday, allowing for the NRHA Futurity Open Level 4 Semi-Finals to move to Tuesday. Additionally, allowing to move the Bob's Custom Saddles Showdown classes to Wednesday, thereby removing all competition from Thursday, which is the NRHA Markel Futurity Sale day. In addition, shifting all the ancillary classes up one day to start on Monday, a day earlier, thereby removing all ancillary competition from Saturday, Open finals day.

Motion seconded. All are in favor.

**Luncheon Lecture Series**

A motion to support the concept of the Luncheon Lecture Series to move forward for the 2024 NRHA Futurity, with careful consideration on the topics presented. Motion is seconded. All are in favor.

*Motion made to adjourn at 12:16pm CST.*
