VRHA has returned after meeting about their request for the IAP support for the 2024 NRHA Oceania Affiliate Championship. Their request for funding will be for \$1,000USD in support (instead of the originally requested \$2,000USD).

You had been requested to speak with your members on this topic.

After discussing the topic, VRHA felt comfortable lowering their request to \$1,000USD due to the insight below:

Reflecting for entries that the judges fee amount can be equal to that of the entry fee.
Sponsorship and commitment to the event has been overall tracking well.
The clinic post event is being well supported.

The committee also understands that in the OAC classes themselves, the NRHA 5% is not paid and therefore no additional funds go back into the IAP fund for these classes.

With all of this insight, VRHA felt comfortable with lowering their request to \$1,000USD.
