SUMMARY

Anonymous Complaint Policy

PROCEDURE:

Anonymous complaints occur where there is no indication as to the name or address of a complainant, or where a complainant indicates that he or she does not wish to be identified.

The NRHA will generally not act on anonymous complaints unless the issues raised are serious and sufficient information is provided to warrant further inquiry into the allegations.

Anonymous complaints will not be dealt with through our normal disciplinary procedures, but will be dealt with as the NRHA Board of Directors deem fit.

An anonymous complainant may not be made aware of the results of the investigation.
